

Attention ALL ARTISTS!

The AAAS, Pacific Division is seeking art with a science pedigree!!

Planned in conjunction with the 91st annual meeting of the AAAS, Pacific Division, to be held at Southern Oregon University, Ashland, OR in mid-June 2010 is an art exhibit, or, more specifically, *an art/science exhibit*.

Do you have any artworks based on your formal or informal research or studies in the sciences you would like to have included in this exhibit? If so, we would like to see your work. Also, please forward this announcement to your colleagues or friends who might be interested in exhibiting.

To be considered, please send an e-mail with attached jpeg file(s) (2MB limit each; 10MB total) or a CD/DVD to:

Michael Crane, Director
Schneider Museum of Art
Southern Oregon University
1250 Siskiyou Blvd.
Ashland, OR 97520
541-552-8484
cranem@sou.edu

- For each submission, be sure to include a statement describing the work's connection to science.
- Questions? Contact Michael Crane or Roger Christianson (see information below).

Please copy all submissions to both:
