# UNIVERSITY STUDIES TRANSFER GUIDE

**Rogue Community College and Southern Oregon University**

\* "University Studies" is the general education program at SOU

A seamless transfer to Southern Oregon University can be achieved by matching courses you have completed at your community college with the requirements of SOU's University Studies (general education) program. Use this guide to choose courses that satisfy SOU's Lower Division General Education requirements.

You can satisfy SOU Lower Division General Education requirements by completing an Associate of Arts-Oregon Transfer Degree (AAOT), or Oregon Transfer Module (OTM), but these options are not required and may take longer. Students with an Associate of Arts or Science (AA or AS) may need to complete *additional* coursework at SOU to satisfy all Lower Division General Education requirements. For more information, please contact the Office of Admissions: 541-552-6411.
