4. FINANCIAL CERTIFICATE/VISA INFORMATION

Please certify that you will have an available sum of \$29,000 for your own expenses for your first academic year at Southern Oregon University, excluding travel expenses. If you expect your program to require more than one year, please indicate how you plan to meet your expenses for subsequent years of study. You must not consider employment (either part time during the academic year or full time during the summer) as a significant means of support while at SOU.

Students who plan to stay in the United States through the summer will need an additional \$5,000 for that three-month period. If you are a married student and plan to bring your spouse and any children, a proportionately larger amount must be certified on the basis of at least an additional \$8,000 for your spouse and \$5,000 for each child. The spouse of a student (F-1) visa holder is NOT permitted to work under any circumstances and is highly limited in coursework s/he may pursue.

An original current bank statement from acceptable sources listed below must be attached. Funds may come from any dependable source, including scholarships, fellowships, sponsoring agencies, personal funds, or funds from the student's family. Documentation of scholarships and fellowships must be in the form of an official award letter from the school or sponsoring agency. Documentation of personal or family funds should be on bank letterhead stationery or in the form of a legal binding affidavit. An I-20 or DS-2019 used to secure a U.S. visa cannot be sent if this section is not completed.
