

The Campus . . .

Southern Oregon University combines many of the best features of both private and public colleges: small-enrollment classes; teachers who know and work directly with their students; and a faculty and staff fully committed to education, both in and beyond the classroom. In the School of Business we prepare graduates who can write clearly, think critically, work in groups and who are aware of the society issues facing business here and abroad.

The Setting . . .

Nestled at the base of the Siskiyou Mountains in the Rogue Valley of Southern Oregon, SOU is surrounded by forests, mountains, lakes, and rivers providing a spectacular setting for outdoor sports such as hiking, rafting and skiing. In addition, the University and community are focal points of cultural activity gaining national recognition for the Oregon Shakespeare Festival and the Britt Music Festival.

Certificate in Interactive Marketing and E-Commerce

Southern Oregon
University
School of Business

Certificate in Interactive Marketing and e-Commerce

The course requirements for the Certificate in Interactive Marketing and E-Commerce are designed to equip students with the necessary marketing, computer technology, design, and multimedia skills to succeed in Internet marketing and e-commerce. Graduates of the certificate program possess the technical skills to work with information technology and Web technology groups in business, government, and educational settings. The certificate program is open to both current and post-baccalaureate students.

The Certificate in Interactive Marketing and E-Commerce requires completion of 32 credits, consisting of six required courses and 8 elective credits. Transfer courses require Advisor's approval. All courses taken for the certificate must be completed with a grade of C or better. Students must maintain a minimum 2.5 GPA in all certificate courses.
