

## 2007-2008 Individual Consortium Agreement: Southern Oregon University

Under this agreement, students may enroll at SOU and one of the listed Oregon Community Colleges during the same term and have their combined credit loads serve as a basis for establishing financial aid eligibility. Under this agreement, student financial aid eligibility will be processed by SOU as the "home institution" (the college where the student has been officially admitted and where the student maintains at least half of his/her term-by-term credits) using shared information from the "host institution" (the community college where the student is concurrently enrolled while attending his/her home institution).

Choose one community college:  Blue Mountain  Central Oregon  Chemeketa  
 Klamath  Linn-Benton  Umpqua

Process:

- Your budget will be adjusted to reflect your reduced tuition, and tuition remission funds will cover no more than your SOU tuition. *Scholarship recipients: contact Enrollment Services Center at (541) 552-6600.*
- Submit this form at least two weeks prior to the start of the term *with a copy of your final registration at the host institution.* We do not accept wait-listed or partial registration.
- It is your responsibility to provide a copy of the transcript from the host institution at the end of the term; aid for following terms will not be released before your grades at both schools are checked at the end of the term.
- Report all financial resources (scholarships etc.) at the bottom of this form.
- You are responsible for paying all charges at the community college.

Satisfactory Academic Progress (SAP) is federally mandated for all students receiving federal funding:

- Co-enrolled students who drop all classes at either institution will be required to petition for reinstatement of aid
- You may not co-enroll for financial aid purposes after your aid applies to your SOU billing account
- Your academic progress will be monitored on a term-by-term basis by SOU based on your combined credits.

Do not use this form if:

- You are attending half time and you have 6 hours at SOU.
- You are attending three-quarter time and you have 9 hours at SOU.
- You are attending full time and you have 12 hours at SOU.

Conditions:

I will maintain at least half of the minimum credit load at SOU (6 if full time; 5 if three-quarter time; 3 if half time).

I will enroll only in credits that lead to completion in the program that I declare as my major. I understand that credits under the 100 level and audited classes do not count as enrolled hours for my financial aid.

I authorize sharing of information regarding financial aid, grades, and other related academic issues between SOU and the listed community college. I acknowledge my continued responsibility to ensure that the information on which my aid is based is complete and accurate.
