

## 2007-2008 Concurrent Enrollment Request

### Southern Oregon University and Rogue Community College

Southern Oregon University (SOU) and Rogue Community College (RCC) have signed a consortium agreement beginning Fall term 1997 under which *degree seeking* students may concurrently enroll at both institutions and have their combined credit loads serve as a basis for establishing financial aid eligibility. Under this agreement, student financial aid eligibility will be processed by the "home institution" (the college where the student has been officially admitted and where the student maintains at least half of his/her term-by-term credits), using shared information from the "host institution" (the college where the student is concurrently enrolled while attending his/her home institution).

Process:

- Your budget will be adjusted to reflect your reduced tuition, and tuition remission funds will cover no more than your SOU tuition. *Scholarship recipients: contact the Enrollment Services Center at (541) 552-6600.*
- Submit this form at least two weeks prior to the start of the term.
- Report all financial resources received (RCC scholarships, etc) at the bottom of this form.
- Aid for following terms will not be released before your grades at both schools are checked at the end of the term.

Satisfactory Academic Progress (SAP) is federally mandated for all students receiving federal funding:

- Co-enrolled students who drop all classes at either institution will be required to petition for reinstatement of aid.
- You may not co-enroll for financial aid purposes after your aid applies to your SOU billing account.
- Your academic progress will be monitored on a term-by-term basis by SOU based on your combined credits.

Do not use this form if:

- You are attending half time and you have 6 hours at SOU.
- You are attending three-quarter time and you have 9 hours at SOU.
- You are attending full time and you have 12 hours at SOU.

**Term of attendance:** \_\_\_\_\_ **Registered hours:** \_\_\_\_\_ **SOU** \_\_\_\_\_ **RCC**

Conditions:

I will maintain at least half of the minimum credit load at SOU (6 if full time; 5 if three-quarter time; 3 if half time).

I will enroll only in credits that lead to completion in the program that I declare as my major. I understand that credits under the 100 level (and Math courses under the MTH 60 level), and audited classes do not count as enrolled hours for my financial aid.

I authorize sharing of information regarding financial aid, grades, and other related academic issues between SOU and RCC. I acknowledge my continued responsibility to ensure that the information on which my aid is based is complete and accurate.
