Evaluation of Progress toward Graduation

Print Name _____ SSN _____

- Federal financial aid regulations limit the number of credits a student may accumulate (attempted or completed) and remain eligible for financial aid.
- You have applied for aid as an undergraduate and have more than 180 attempted credits. We must ask you to meet with an Access Center Advisor *and* your Major advisor to determine which classes you must take to graduate with your first undergraduate degree. This information will be used to determine your eligibility for continued funding. Please use the back side of this form to provide a *signed* statement regarding the reasons for your delayed graduation.
- Please call the Access Center at (541) 552-6213 for an appointment with an advisor.
