- Summer session financial aid disbursement dates are June 22, July 20, and August 17, 2009. If the first class you attend starts after one of these dates, your disbursement will not take place until the next regularly scheduled disbursement date. Wait-listed and audited classes do not count for aid purposes.
- In order to be eligible for summer financial aid, you must attend all of your summer classes.
- If you pick up summer aid and then drop a class before that class starts, you may have to immediately **pay back** all or some of your financial aid to SOU.
- It is your responsibility to arrange for payment of your fees if your financial aid is not available at the time of scheduled fee payment.

**I understand that if my schedule as stated on this form changes, I must notify Enrollment Services staff before my summer aid is disbursed to my billing account. I also understand that any request for changes will result in a re-evaluation and can delay disbursement of aid.**
