			General electives		1-3	WRI 122 English Composition		3
	Total Credits	15		Total Credits	15-18		Total Credits	15-17

When Anatomy & Physiology I, met the math competency (Intermediate Algebra) and have completed 30 quarter credits by the February 15 application deadline, you may apply to the OHSU nursing program from Oct. 1-Feb. 15 for fall term entry. You must complete 45 quarter credits of lower division prerequisites at an accredited institution by the end of summer term to begin nursing courses.

*The Math competency may be demonstrated by a math placement test or by successful completion of Math 95 Intermediate Algebra or higher. Math 95/100 Intermediate Algebra qualifies you to take the Chemistry series which is a prerequisite for the Nutrition course on the OIT campus. *Math 95 credits do not count toward your degree, but are counted toward the 30 required credits to apply.*

◆If Nutrition is taken elsewhere, Chemistry/Lab is not required, although Chemistry is **highly recommended**.

Sophomore Year

<i>Course</i>	FALL TERM	<i>cr</i>	<i>Course</i>	WINTER TERM	<i>cr</i>	<i>Course</i>	SPRING TERM	<i>cr</i>

Foreign Language Proficiency Requirement: Language proficiency is a baccalaureate graduation requirement that can be met by, 1) two years of high school foreign language, 2) two quarters or one semester of college-level foreign language, or 3) a foreign language proficiency exam. College level (100 and above) credits in a foreign language will count toward the 45 prerequisite credits, as well as the associate degree and baccalaureate degree credits. American Sign Language is an accepted language to meet this requirement.

Basic Computer Literacy: Students are advised that success in a nursing program requires that students be computer literate, including at least word processing, spreadsheets and web searches.

The Junior and Senior year elective credits is only an estimate of what you may actually need to fulfill the total number general elective credits required.

Prerequisites	45 credits
Non-nursing	42 credits (15 credits must be upper division, 300-400 level)
Nursing	93 credits (shown in bold above)
Total	180 credits min. needed for B.S. degree

This document is only a guide. Final decisions regarding the acceptance of prerequisite course work is made by the OHSU Registrar's office. The OHSU School of Nursing reserves the right to make changes to the academic program structure.
