

Ashland Announcements for the week of February 6, 2012

OLLI's Community Lecture Series is held on Wednesday, from 1:00– 3:00pm, in Room D.

This Week: Kathy Rosengren. Henry V: England's Victorious King and Shakespeare's Legendary Hero. A look at the facts of Henry V's life and how Shakespeare uses them in his great historical play. **Please note this lecture will be in Room D.**

Next Week: Suzanne Witucki: Such Sweet Sorrow... Perspectives on Romeo and Juliet. The presentation will focus on multiple presentations of Shakespeare's play by first analyzing the text of pivotal scenes to understand the extraordinary image systems, the figures of speech and the parallel antitheses which make this play unique. We will then learn how different directors frame Shakespeare's language.

The music of Mozart will be discussed in addition to one of Mozart's important musical influences, Georg Friederich Handel. A flyer regarding this event can be found in each classroom. Please plan to attend and support SORS.
- Please join us for OLLI's annual fundraiser at ScienceWorks this Friday night from 7 to 9pm. Have some fun and mingle with your fellow OLLI members (guests are welcome too) for hors d'oeuvres, wine, live Science shows and more! The science show is called "Got NANO?" and will be held in the theater at 7:30pm and again at 8:15pm. Stop by the office or call with a credit card number to purchase your ticket at \$15.00.
- "Happy Hour at OLLI," a get acquainted party, is coming up, on Friday Feb. 17, from 5 to 7pm in Room A. Enjoy food, wine and entertainment – we hope you can make this social event, hosted by the OLLI Social Committee.
- Many OLLI members are very sensitive to fragrances. Please limit your use of fragrances when attending class. Your fellow students thank you!
- Are you having trouble finding a parking place when attending classes in Ashland? OLLI has five parking permits left for the Cox Hall parking lot located across Frances Lane from Starbucks. The cost of the permit is \$30 and will be good through the end of the Spring term.

- The next Newsflash will ask you to tell us if you plan to attend the Nuclear Power talk on February 20th in Medford. Doing so will reserve a place for you and will let us know how vigorously we should promote this talk to the community.
