- III) Reports to Senate

- a. President Greig: Survey from OSA regarding tuitions and other issues that are affecting schools in the area. We will discuss Student Leadership Conference. On Nov. 16 we will give the prescription to the governor. IT would be nice if we could deliver gifts to a family we sponsor if people are in town over the holidays.
- b. VP Bradach: The Prescription is going well.
- c. Dir. Teal: Friday is deadline for student leadership conference and she is sending around information and sign up sheets. All costs are covered by ASSOU, except the first lunch. Leaving Friday the 17<sup>th</sup> in the early afternoon. Ask Dir. Teal or any cabinet members if you have more questions.
- d. Dir. Colley: Passed around a sheet for helping the WRC with the “Yell it Tell it” campaign. The student advocate and Dir. Colley are working on the “Gift of Giving” campaign. There are tabling dates regarding this campaign and you can contact Sen. Colley with more questions. The Commuter Continental Breakfast is in early November, and is specifically aimed at ASSOU meeting commuter students. Quilt planning committee for the Aids Quilt is meeting in QRC November 6<sup>th</sup>. President Greig suggested that ASSOU sponsor a child or a family, or a gift. It is something to think about for the holiday season. Sen. Young asks if this is similar to the gift giving tree? Sen. Colley says that there are numerous ways that this could happen and any interested people can talk to Dir. Colley. Laura O’Byron suggests a sponsor of a family in family housing with special needs.
- e. Dir. Ayers: Who is unable to go to the Student Leadership Conference? We need to have our registration in by November 6<sup>th</sup>, so find out soon. It is a great experience, and you should look into it, and ASSOU picks up most of the costs. Our goal is 20 people from SOU and want as many as possible to be members of ASSOU. Sent out an e-mail regarding student fee committees and what they all do. Read through it so you know what they are all doing.
- f. Dir. Small: ECOS is getting a radio program. LSU had a day of the dead and have tentatively scheduled 6 people to go to leadership conference. PowWow was a success. ES club has a clean-up on Normal Ave on Saturdays.
- g. Pro-Tem Young: Illness has made his week hard. He has hired a new secretary and she will be swearing in next week. A few senators need to let him know what committees they are on. There is a potluck on Thursday the 2<sup>nd</sup>. PLEASE FILL OUT THE SURVEY FOR OSA!!! We need about 60 surveys on campus, so encourage others to fill them out.
